

201—20.7(904) Interviews and statements.

20.7(1) When offenders are selected to be interviewed and photographed within the institution, either individually or as part of a group, identifiable interviews or pictures shall have the written consent of the offender involved as well as prior consent of the warden, superintendent, or designee.

20.7(2) The warden or superintendent is responsible for all communications with mass media.
